

GOODNESS GARDENS

Food Safety & Quality Assurance Program

SOP CREATION AND CONTROL

Controlled Document - SOP - PrimusGFS Module 1 FSMS

Document No.	1.03.01
Revision	Rev. 1 - June 2026
Prepared By	
Approved By (Name / Title)	
Approval Signature / Date	
Next Review Date	

This controlled document is maintained under the Goodness Gardens Food Safety & Quality Management System and the PrimusGFS audit scheme. It must be reviewed at least annually, after any deviation or audit finding, and whenever processes, products, or regulations change. Printed copies are uncontrolled.

1. Objective

Define how SOPs are created, formatted, approved, distributed, and revised.

2. Scope

All standard operating procedures and work instructions at all GG sites.

3. Responsibilities

- FSQA Manager approves all SOPs.
- Department managers draft or request SOPs for their operations.

4. Procedure

- SOPs follow the GG template: header block (logo, title, document control number, date revised, author initials) plus Objective, Scope, Responsibility, Procedure, and Records sections.
- Document numbers mirror the PrimusGFS question they support (e.g., 5.09.02 Glass & Brittle).
- Draft SOPs are routed to the FSQA Manager for technical review and to the affected department for practicality review.
- On approval the SOP is issued per 1.02.01 and affected employees are trained on it before it takes effect; training is documented.
- Revisions increment the revision number and are summarized in the revision history.

5. Records

- Approved SOPs; revision history; SOP training sign-in sheets.
