This controlled document is maintained under the Goodness Gardens Food Safety & Quality Management System and the PrimusGFS audit scheme. It must be reviewed at least annually, after any deviation or audit finding, and whenever processes, products, or regulations change. Printed copies are uncontrolled.

1. Objective

Approve and monitor suppliers of product, packaging, and food-contact materials.

2. Scope

All suppliers of raw product, seed, packaging, processing aids, and chemicals.

3. Responsibilities

- FSQA Manager approves suppliers and maintains the approved supplier list.
- Purchasing buys only from approved suppliers.

4. Procedure

- New suppliers provide: third-party GFSI/PrimusGFS audit certificate (or GG questionnaire + risk assessment), guarantee/continuing letter, and specs.
- Suppliers are risk-ranked; high-risk suppliers require annual document renewal and periodic performance review.
- Incoming goods inspection (5.13.01) verifies condition and documentation each receipt; failures are recorded against the supplier.
- Repeated non-conformances trigger corrective action requests or removal from the approved list.
- FSVP requirements apply to imported items per 1.08 FSVP documents.

5. Records

- Approved supplier list; supplier files (certs, specs, guarantees); supplier non-conformance records.
